## MEMORANDUM

**TO:** Mayor & City Council

**FROM:** Quinn Bennion, City Manager

**RE:** *Agenda Items for January 15, 2020 Council Meeting*

---

### PUBLIC BUSINESS

1. Recognition of Bert Clark as Elected Official of the Year from Rural Water Association

### POLICY & LEGISLATION

1. **Request for approval of the City Council Meeting schedule for 2020 – Ordinance No. 2020-01** – Quinn Bennion
2. **City Council Board Approval** – Mayor Doug Hammond
3. **Project update for Innovation Center** – Quinn Bennion
4. **Request for Approval of the City’s CIB and UBAOG one and five year project list** – Quinn Bennion. The City’s one-year and five-year list has to be submitted to the Uintah Basin Association of Governments (UBAOG) for approval. Any projects submitted for CIB funding in 2020 must be on the one-year list or receive emergency consideration. Attached are the City’s submitted 2019 list and with the propose changes for the 2020 list.
5. **Request to Subdivide Property at 238 West 200 South – Cochran / Miles Property Holding LLC** – Allen Parker. This item was reviewed by City Council on October 16<sup>th</sup> and tabled until the next meeting. There was a request that the applicant explain to staff or Council the plans of the existing garage on the property. The lot split results in a non-compliant structure. This item should be approved, denied or tabled again.
6. **Request Approval of Reappointment of Jim Linschoten to Vernal City Planning Commission** – Allen Parker
7. **Project Update for CDBG 2020 grant application** – Quinn Bennion. The City is pursuing a CDBG grant application to provide street and sidewalk improvements to the area near 300 South and Vernal Avenue. At least 70% of the benefitting, adjacent residents of the area must meet the low to moderate income household guidelines to be eligible for the grant. Impacted area is shown in map in the packet. City staff has delivered resident surveys to the adjacent properties to establish household income. If the area is not income eligible, there will not be a CDBG grant submittal this year.

### CLOSED SESSION

**VERNAL CITY COMMUNITY DEVELOPMENT & RENEWAL AGENCY**

The City needs to hold a CDRA meeting to discuss an item.

**CLOSED SESSION** – Strategy session to discuss pending or reasonably imminent litigation

1 **M**INUTES OF THE VERNAL CITY COUNCIL REGULAR MEETING HELD  
2 **DECEMBER 4, 2019** at 7:00 p.m. in the Vernal City Council room, 374 East Main,  
3 Vernal, Utah 84078.

4  
5 **PRESENT:** Councilmembers Samantha Scott, Dave Everett, Ted Munford and Bert Clark and  
6 Mayor Doug Hammond. Councilmember Travis Allan was excused.

7  
8 **WELCOME:** Mayor Doug Hammond welcomed everyone to the meeting.

9  
10 **INVOCATION OR UPLIFTING THOUGHT:** The invocation was given by Councilmember  
11 Samantha Scott.

12  
13 **PLEDGE OF ALLEGIANCE:** The Pledge of Allegiance was led by Councilmember Dave  
14 Everett.

15  
16 **APPROVAL OF CITY COUNCIL MINUTES OF NOVEMBER 20, 2019:** *Councilmember*  
17 *Bert Clark moved to approve the minutes of November 20, 2019. Councilmember Ted Munford*  
18 *seconded the motion. The motion passed with Councilmembers Everett, Munford, Scott and*  
19 *Clark voting in favor.*

20  
21 **PUBLIC HEARING: CDBG PROPOSED PROJECTS FOR 2020:** Quinn Bennion  
22 explained that the tri-county area is eligible for federal funds through the Community  
23 Development Block Grant. Any projects funded through this grant must be related to low or  
24 moderate income residents. In 2019 the City received \$50,000 to repair the crisis center. Mayor  
25 Doug Hammond opened the public hearing. Quinn Bennion reported that there are potentially  
26 two projects that the City may be interested in pursuing if the residents in those areas qualify. He  
27 noted that a residential survey will have to be conducted. The first project is the sidewalk along  
28 Vernal Avenue from 100 South to 500 South. This sidewalk is either non-existent or crumbling  
29 and would cost approximately \$180,000 to repair. Most of the homes are lower income and  
30 cannot afford to repair their portion. The second project, which would cost close to \$400,000  
31 would be to add curb, gutter and sidewalk on 200 East from 300 South to 500 South. However, he  
32 noted that the City would have to match part of the funding. Councilmember Bert Clark  
33 suggested the City look into adding accessible handicap intersections close to the senior housing  
34 unit on Main Street and 1000 West. He stated that a lot of those residents walk to the grocery  
35 store. Quinn Bennion stated the City cannot use these funds for ADA compliance issues, however,  
36 if part of the project is the installation of ramps, that portion may receive funding. There being no  
37 further comments, Mayor Doug Hammond closed the public hearing.

38  
39 **REQUEST FOR APPROVAL OF CONTRACT WITH JONES & DEMILLE FOR**  
40 **GENERAL SERVICES AND SCOPE OF WORK FOR THE GENERAL PLAN:** Allen  
41 Parker explained that this contract is a general services contract so this engineering firm can then  
42 work on the general plan update. He explained that the City has \$10,000 set aside in the budget  
43 along with \$5000 from the Health and Active Lifestyles grant for this project and received a grant  
44 in the amount of \$15,000 from the CIB Board for a total budget of \$30,000. He noted that this  
45 general services contract will also allow the City to use this engineering firm for other items. The

**MINUTES OF THE VERNAL CITY COUNCIL REGULAR MEETING HELD  
DECEMBER 4, 2019**

46 second document outlines the general scope of the work for the general plan update.  
47 Councilmember Bert Clark stated he did not want them to go over budget, yet the City needs to  
48 receive the services in the scope of work. Allen Parker agreed that they need to follow the  
49 agreement. *Councilmember Dave Everett moved to approve the general services agreement and*  
50 *the scope of work document for this project. Councilmember Ted Munford seconded the motion.*  
51 *The motion passed with the following roll call vote:*

- 52 *Councilmember Munford.....aye;*
- 53 *Councilmember Allan .....aye;*
- 54 *Councilmember Everett .....aye;*
- 55 *Councilmember Clark.....aye.*

56  
57 **ACCEPTANCE AND TRANSFER OF AIRPORT AND ENTITLEMENT FUNDS:** Quinn  
58 Bennion explained that this item is dealing with the FAA entitlement funds that will now be paid  
59 since the airport reached the necessary enplanements. However, there was not enough funds to  
60 cover all the costs so funding was “borrowed” from Duchesne County’s allotment. Those funds  
61 now have to be transferred back so the City has to approve that action. There are two additional  
62 projects that have to be paid back, the fence and the water mitigation. Mayor Doug Hammond  
63 stated that the water mitigation project has to be rebid and is expected to cost \$350,000. Also the  
64 County needs to be reimbursed for the snow sweeper. After further discussion, *Councilmember*  
65 *Ted Munford moved to accept and transfer the airport entitlement funds as presented.*  
66 *Councilmember Samantha Scott seconded the motion. The motion passed with the following roll*  
67 *call vote:*

- 68 *Councilmember Munford.....aye;*
- 69 *Councilmember Allan .....aye;*
- 70 *Councilmember Everett .....aye;*
- 71 *Councilmember Clark.....aye.*

72  
73 **CONSIDER APPROVAL OF MOU WITH UTAH COUNTY FOR INDIGENT**  
74 **DEFENSE SERVICES (SECOND REVIEW) :** Allen Parker explained that the County  
75 Attorney has made a few minor changes to this agreement so the Council needs to review those  
76 changes. In summary, the City is required by law to provide indigent services to defendants that  
77 cannot afford an attorney for criminal charges. The State of Utah established an indigent defense  
78 commission to make grant funds available on an annual basis to help expand the level of services  
79 these defendants are receiving. The County hired Lance Dean to administer this program so this  
80 MOU allows him to work with the City to provide indigent defense services after the City has  
81 exhausted the amount budgeted. After further discussion, *Councilmember Bert Clark moved to*  
82 *approve the MOU contract with Uintah County for indigent defense services. Councilmember*  
83 *Samantha Scott seconded the motion. The motion passed with the following roll call vote:*

- 84 *Councilmember Munford.....aye;*
- 85 *Councilmember Allan .....aye;*
- 86 *Councilmember Everett .....aye;*
- 87 *Councilmember Clark.....aye.*

**MINUTES OF THE VERNAL CITY COUNCIL REGULAR MEETING HELD  
DECEMBER 4, 2019**

89 **REVIEW AND REQUEST FOR APPROVAL OF YEAR-END EMPLOYEE**  
90 **RECOGNITION:** Mike Davis, Vernal City Finance Director, explained that the City’s sales tax is  
91 still down and the economy is not going anywhere. However, the City did receive good news  
92 with the workers compensation premium. He explained that over the past few years the rate  
93 modifier was extremely high do to unforeseen claims. The employees were challenged with  
94 being safer to get that rate lowered and this year it dropped drastically saving the City a minimum  
95 of \$85,000. Quinn Bennion explained that this has been a three year effort with the Safety  
96 Committee and department Heads working toward this goal. He noted that while revenue is  
97 down, the employees should be recognized for attaining this goal. Councilmember Ted Munford  
98 stated that step one is achieving this goal and step two should be maintaining it. He noted that if  
99 the recognition costs \$5000 and the savings is \$85,000 it is a fair trade. Councilmember Bert  
100 Clark stated this is a good thing as times are tough and no raises are being offered. Quinn  
101 Bennion brought their attention to the spreadsheet showing the cost to the City. *Councilmember*  
102 *Samantha Scott moved to give the employees a \$250 performance recognition payment.*  
103 *Councilmember Bert Clark seconded the motion. The motion passed with the following roll call*  
104 *vote:*

- 105 *Councilmember Munford.....aye;*
- 106 *Councilmember Allan .....aye;*
- 107 *Councilmember Everett .....aye;*
- 108 *Councilmember Clark.....aye.*

109  
110 Councilmember Dave Everett asked the staff to let the employees know that they deserve more.  
111

112 **DISCUSSION REGARDING THE CITY’S POSITION FOR FUTURE FUNDING OF**  
113 **THE AIRPORT AND CONFERENCE CENTER:** Quinn Bennion explained that the City  
114 Council and County Commission have discussed this topic many times since the Uintah  
115 Transportation District submitted a letter to have the City and County take back the airport. Also,  
116 the agreement with the County to pay \$200,000 toward the conference center in lieu of paying  
117 airport expenses ends in July. He stated that the City did not have a balance sheet for the  
118 conference center so he met with Derk Hatch and Tracy Smuin who provided the expenses of the  
119 conference center. He noted that the contract requires an annual report. Also, Quinn stated that  
120 Derk also provided a breakdown of the revenues and what is anticipated through the 2020 budget.  
121 Quinn presented the Council with the costs for the airport from 2013, 2014 and 2015 and then the  
122 budget from the Special Service District for the airport for 2016, 2017, 2018. The budget for the  
123 2019 calendar year is \$657,000. Doug Brown stated that the proposed budget from the County  
124 for 2020 is \$973,000 including \$169,000 for the loader. However, the other loader will be sold  
125 back for \$158,000. There could also be the expense of marking the runway. Quinn Bennion  
126 stated at the last City/County meeting the \$973,000 budget was discussed, however, the revenue  
127 was not deducted from that amount. Councilmember Samantha Scott stated that the projected  
128 cost to the City is then \$179,000. Doug Brown agreed if nothing else comes up. Bart Haslem,  
129 Uintah County Commissioner, explained that as the airport renovation project progressed, Cheryl  
130 Meier, UTSSD Director, brought a list of items that would be paid for by the District if the City  
131 and County took back the airport early. If not, there is a cost of \$170,000 to purchase those items

**MINUTES OF THE VERNAL CITY COUNCIL REGULAR MEETING HELD  
DECEMBER 4, 2019**

132 from the SSD. Doug Brown stated there are some projects, such as seal coating the runway, that  
133 can come out of the entitlement funds so there will not be any cost to the City or County. Other  
134 necessary projects may need to be paid by the owners. Commissioner Haslem agreed for the future  
135 funds, however, entitlement funds may need to be used to pay the SSD back. Quinn Bennion  
136 stated that would be the same situation with the fence as the County funded the fence so when  
137 reimbursement is received for the fence it needs to go to the County. Councilmember Ted  
138 Munford stated that the agreement between the City and the County for the conference center ends  
139 soon and says the City does not owe any more for the airport. However, that is not fair as the City  
140 owns 25% so the City has to pay for it. Commissioner Stringer stated the County interprets the  
141 agreement differently as the City did not extinguish ownership of the airport. Councilmember  
142 Bert Clark stated that if the City pays for the airport instead of putting money toward the  
143 conference center, the amount could fluctuate from year to year. He noted that when the  
144 agreement was signed to have the Transportation District manage the airport, it was agreed that  
145 any equipment purchased with mineral lease funds would remain with the airport. There was  
146 some discussion regarding the loader and that asset would be purchased back by the supplier.  
147 Councilmember Ted Munford stated he liked the idea of \$200,000 for another five years.  
148 Commissioner Stringer stated that when the transfer of the management of the airport was made it  
149 was to deal with the new construction costs since the reimbursement from the FAA is not done  
150 quickly. At the time the Transportation District had the resources to do that. Councilmember  
151 Ted Munford asked if the County wanted to take over ownership of the airport. Commissioner  
152 Stringer stated there are advantages in the eyes of the FAA, however, then the City would have to  
153 agree to split the ownership of the conference center and supplement the operation cost. He noted  
154 that what has changed is the transit tax which can be used to fund the airport. However, the  
155 commission is not in agreement on taking over the management of the airport. He asked what the  
156 City envisions as their role. Councilmember Ted Munford stated that it is tough to make a decision  
157 without exact numbers. He asked if there is a proposal. Commissioner Bill Stringer stated that at  
158 the last City / County meeting last week it was discussed for the County to take over management.  
159 The County does not want to do that unless there is a partnership with Vernal City. Right now there  
160 is a fixed payment. If the City simply pays their portion of the airport the amount will fluctuate.  
161 Quinn Bennion acknowledged that the City has two choices - continue to put funds toward the  
162 conference center in lieu of paying for the airport, or ride the waves of the 25% cost for the airport  
163 operations. Councilmember Dave Everett asked if it would be easier to set the budget knowing  
164 there is a \$200,000 obligation. Quinn Bennion stated there is still the challenge having no control  
165 over how the funds are spend. Councilmember Bert Clark stated he would rather ride the wave  
166 with the airport and see what is going on. There was some discussion of the capital improvement  
167 list. Councilmember Ted Munford stated he like the idea of payment toward the conference  
168 center for a specific time frame. Councilmember Samantha Scott agreed. Commissioner Stringer  
169 stated they wanted to have this discussion to know what direction to move forward with the  
170 airport.

# VERNAL PLANNING COMMISSION STAFF REPORT

ITEM: B1

DATE: 4 October 2019

MINOR SUBDIVISION		RECOMMENDATION	
APPLICATION:	2019-009-SUB (Miles Minor Subdivision)		
APPLICANT:	Steve Cochran		
LOCATION:	238 West 200 South		
PARCEL NUMBER(S):	05:025:0027	ZONE:	R-3
		ACREAGE:	0.74Acres

### NARRATIVE AND ANALYSIS:

The applicant is requesting approval of a minor subdivision of one parcel into two lots. The areas of the new proposed lots will be Lot 1 at .38 acres and Lot 2 at .31 acres. Each of the new lots meet dimensional and area standards set forth in Vernal City Code and will not create a nonconforming condition with any of the existing structures. Lot 2 is a flag lot and approval of this subdivision constitutes approval of this flag lot by the Planning Commission per Vernal City Code. Staff has conducted a full review and found that, with some minor corrections, the submittal is in substantial compliance with Vernal City requirements. A review of the application has been conducted by CRS Engineers and some minor discrepancies were noted. Corrections have now been made and the submittal is in substantial compliance with applicable surveying and engineering standards as well as Vernal City Code.

### STAFF DETERMINATION:

This application is in substantial compliance with Vernal City Code and the requirements contained therein. Staff finds that this is an approvable application with the following conditions:

1. Any and all corrections required by staff and/or engineering are made and submitted in the form of corrected drawings.

Allen Parker  
Assistant City Manager
