RE: *Agenda Items for Aug 19, 2020 Council Meeting*

PUBLIC BUSINESS

1. **Dinosaur Roundup Rodeo Committee Report** – Mike Karren & Carson Young

POLICY AND LEGISLATION

1. **Approval of a resolution amending the Final Bond Resolution dated April 3, 2019 to revise section 2.2 interest accruing date and principal and interest payment dates and Section 3.4 sinking fund accrual date with respect to the \$200,000 excise tax road revenue bonds, series 2020, for the purpose of the acquisition and construction of road improvements, and related improvements; and related matters – Resolution No. 2020-10** – Quinn Bennion. This item relates to the closing of the City's CIB loan for the downtown drainage project. The documents were prepared by Blaisdell, Church & Johnson. UDOT is administering the project and let the project out to bid (for the second time). The low bidder is Black Sheep Oilfield Services out of Roosevelt. The project schedule is from Aug. 3, 2020, to June 31, 2021. The drainage project will add a second 24" stormdrain line in Main Street from 400 W. to 500 E. The project funding is:

- a. UDOT - \$1.2M
- b. Vernal City – CIB grant - \$1.2M
- c. Vernal City – CIB loan - \$200,000

The bid amount was significantly below the engineer's estimate at \$1.4M. If there are less funds needed, the CIB grant portion is the last to be spent. UDOT will administer the construction with Sunrise Engineering conducting the inspections.

2. **Report on the use of CARES Act funds** - Quinn Bennion. The CARES Act was approved by Congress in April 2020 to help the nation recover from the COVID pandemic. The funds were distributed from the Treasury to the States and larger local governments (over 500,000 pop.). Vernal City received approximately \$309,000 for the first allotment in June. Per the CARES Act requirements, the funds cannot be used for items already in the budget and the funds cannot replace funds that are already budgeted in the City's budget. The funds are only to be used for eligible items defined in the Act and as clarified in the FAQ statements from the Treasury. When accepting the funds, the City agreed to spend the dollars appropriately, track the expenditures and be prepared for a future audit. If the funds are not used properly, the City would be required to pay the portion of funds in

question with penalties. Council will review how the funds have been spent to date and budget. The City should receive a second allotment of \$309,000 within the next two weeks.

3. **Discussion regarding animal and weed nuisances** - Allen Parker

MINUTES OF THE VERNAL CITY COUNCIL REGULAR MEETING HELD
AUGUST 5, 2020 at 7:00 p.m. in the Vernal City Council room, 374 East Main,
Vernal, Utah 84078.

PRESENT: Councilmembers Dave Everett, Ted Munford, Bert Clark, Travis Allan and Nicholas Porter and Mayor Doug Hammond.

WELCOME: Mayor Doug Hammond welcomed everyone to the meeting.

INVOCATION OR UPLIFTING THOUGHT: The invocation was given by Councilmember Nicholas Porter.

PLEDGE OF ALLEGIANCE: The Pledge of Allegiance was led by Councilmember Bert Clark.

APPROVAL OF CITY COUNCIL REGULAR MEETING MINUTES OF JULY 15, 2020:
Councilmember Dave Everett moved to approve the minutes of July 15, 2020. Councilmember Nicholas Porter seconded the motion. The motion passed with Councilmembers Everett, Munford, Allan, Porter and Clark voting in favor.

REQUEST FOR APPROVAL OF USING CARES ACT FUNDS FOR TOURISM AND ACTIVITIES – RESOLUTION NO. 2020-09: Quinn Bennion explained that this resolution relates to the CARES Act funds which the City and the County received. The use of these funds is very restrictive, so the entities need to be careful how these funds are expended. One allowed use is to remarket the area for the tourism industry and help community events keep participants and visitors safe. The County staff has been working with the City and has identified events, tourism in general and marketing the convention center to use some of these funds for remarketing. The County has committed \$48,000 for this effort. Mayor Doug Hammond asked if the total budget is \$70,000. Quinn Bennion stated that the City or County could commit more funds toward this effort if necessary. Councilmember Nicholas Porter stated this is a great idea. After further discussion regarding the CARES Act funds, *Councilmember Nicholas Porter moved to approve Resolution No. 2020-09. Councilmember Ted Munford seconded the motion. The motion passed with the following roll call vote:*

- Councilmember Munford.....aye;*
- Councilmember Allanaye;*
- Councilmember Everettaye;*
- Councilmember Porteraye;*
- Councilmember Clark.....aye.*

FOLLOW-UP DISCUSSION REGARDING MINERAL LEASE FUNDS AND SERVICES PROVIDED BY THE SIX SPECIAL SERVICE DISTRICTS: Quinn Bennion noted that this item is a follow-up to the joint City/County meeting that was held last Monday regarding the funding for the Special Service Districts. He pointed out the recently received allotment of mineral lease funds for each district. Mike Davis stated that they had not received the June allotment yet at the time of the meeting, however, each District received their normal allotment and the Transportation District received over \$1 million dollars which is the largest amount so

MINUTES OF THE VERNAL CITY COUNCIL REGULAR MEETING HELD AUGUST 5, 2020

46 far this year. Councilmember Ted Munford stated this changes, drastically, the discussion from
47 that meeting where the Commissioners projected the total amount for the year would be around
48 \$6 million dollars. The time frame given to the District directors was to have a plan by the 17th
49 of this month. Councilmember Travis Allan stated the community has been fortunate to have
50 these services provided, free of charge, and are blessed to get mineral lease funds to pay for the
51 amenities everyone enjoys. One item that is alarming is the Transportation District provides
52 zero benefits for citizens living in the cities, yet the County wants to make the cities be
53 responsible for these services. He noted that the mineral lease funds should be used for all
54 residents of the County. Also, the Transportation District has received, by far, more funds than
55 any of the other districts. Councilmember Nicholas Porter agreed those funds should benefit
56 the entire community. Councilmember Bert Clark stated that city residents also pay County
57 taxes, and if some of the services are pushed back to the cities will there need to be two different
58 fee schedules - one for city residents and one for county residents. Councilmember Dave
59 Everett stated there is not a quick fix for this issue. He stated a possibility would be to privatize
60 amenities like the golf course. He asked how much the golf course is supplemented to operate.
61 Councilmember Nicholas Porter stated it is not as high as expected, although it is still operated at
62 a loss. Quinn Bennion stated he thought it was around \$400,000 including the debt. There
63 was some discussion regarding the duties of the Uintah Impact Mitigation District. Quinn
64 Bennion stated that the County Commission will ultimately make the decision of what Districts
65 to fund, combine or close on August 24th. Dennis Judd explained that the only one that they
66 can potentially close is the Transportation District as it was created by the County. The
67 remainder of the Districts have Interlocals agreements between the County and the cities. In
68 order to eliminate one, they will need to follow the notice requirements for termination outlined
69 in the agreements. However, the County could withdraw any funding from mineral lease so the
70 District would either fold or go through some type of taxation hearing. Dennis Judd provided
71 some history behind the Districts being formed to use mineral lease funds without losing PILT
72 funds. He stated he would do some research to see if the original Transportation District
73 documents had been amended to add cities. There was some discussion regarding the
74 Transportation District doing some work on collector roads. Councilmember Travis Allan
75 again noted that the County is benefitting from the mineral lease funds for roads while they want
76 the cities to take back the golf course, fire protection and animal control. He stated that this
77 discussion may be pointless if the County Commission does not hear these concerns.

78
79 Chip & Seal Project:

80 Quinn Bennion stated that he is trying to get a map from CIVCO Engineering to see what roads in
81 Vernal City will be chipped. Councilmember Nicholas Porter asked if the center line on 100
82 South was going to be moved. Quinn Bennion stated that is to accommodate a bike lane that was
83 discussed a few years ago. Councilmember Bert Clark asked that contractor be told to water the
84 streets to cut down the dust. Mayor Hammond stated they do water it down every day.

85
86 CARES Act Business grants:

MINUTES OF THE VERNAL CITY COUNCIL REGULAR MEETING HELD AUGUST 5, 2020

87 Quinn Bennion advised that they received 280 applications from local businesses for grant and
88 only 30 were not approved. There is not enough funding to fully pay all the grants until the next
89 allotment is received later this month.

90
91 White House Academy Lease:

92 Quinn Bennion explained that the lease for the White House academy has expired and they need a
93 valid lease for a grant they want to submit this week. The lease amount will remain the same
94 terms of \$2500 a month and 40% of the utilities which is around \$400. Councilmember Ted
95 Munford stated that the staff negotiated this rate and it was fair with the amount of rent being
96 charged for similar buildings. Councilmember Travis Allan asked why that ratio was set for the
97 utilities. Quinn Bennion stated he did not know the thought process behind that original ratio.
98 He stated if that lease amount is acceptable for an annual renewal, the staff will proceed with
99 putting this item on the next agenda for ratification. The consensus of the Council was to move
100 forward with the lease.

101
102 Code enforcement:

103 Quinn Bennion stated that some interesting issues have come up with code enforcement for certain
104 properties in the City. He explained that the main priority is for weeds that cause a fire hazard,
105 especially in bank owned homes. However some properties fall into a more gray area for
106 enforcement such as the field across the street from Uintah Basin Medical Center which is zoned
107 R-3. In the past it had horses grazing on it, but now is weeds and not being using for agriculture.
108 Councilmember Bert Clark stated they should get a letter if the property is in a residential area.
109 Councilmember Travis Allan agreed they should be asked to clean it up if it is a fire hazard.
110 Councilmember Ted Munford agreed the primary concern is public safety, although aesthetics is
111 important also. Quinn Bennion stated what he is hearing is if it can be cut and baled then there are
112 no issues, otherwise it needs to be mowed to remove any fire danger.

113
114 **ADJOURN:** There being no further business; *Councilmember Ted Munford moved to adjourn.*
115 *Councilmember Nicholas Porter seconded the motion. The motion passed with a unanimous vote*
116 *and the meeting was declared adjourned.*

5. The Issuer hereby amends and restates Section 3.4 of the Final Bond Resolution dated April 3, 2019, to read as follows:

Section 3.4 Flow of Funds for the Series 2020 Bonds. From and after the earlier of the delivery date of the Series 2020 Bonds, and until all the Series 2020 Bonds have been fully paid, the Revenues shall be set aside into the Vernal City, Utah Road Fund referred to herein as “Revenue Fund,” established hereunder, to be held by the Depository Bank. The Issuer will thereafter make accounting allocations of the funds deposited in said Revenue Fund for the following purposes and in the following priority:

(a) As a first charge and lien on the Revenues, the Issuer shall allocate the following amounts to the Bond Account established herein such amounts as will assure, to the extent of the availability of Revenues, the prompt payment of the principal, and interest, if any, on the Series 2020 Bonds as shall become due. The amount to be so set aside with respect to the Series 2020 Bonds shall, as nearly as may be practicable, be set aside and allocated to the Bond Account on or before the tenth day of each month commencing February 2021, an amount equal to approximately one-twelfth (1/12) (in the case of the first Sinking Fund Year, the fraction, the numerator of which one and the denominator of which is the number of months remaining until the first principal and interest payment date) of the principal and interest, if any, payment next due on the Bonds. Amounts allocated to the Sinking Fund shall be used solely for the purpose of paying the principal of and any interest on the Series 2020 Bonds and shall not be reallocated, transferred or paid out for any other purpose prior to the payment of amounts due with respect to the Series 2020 Bonds; and

(b) Of the amounts allocated to the Revenue Fund after there shall have been allocated the amounts required to be allocated under (a) above, there shall be allocated monthly on or before the tenth day of each month, beginning February 2021, to the “Road Bond Reserve Account” referred to herein as the “Reserve Account” established on the books of the Issuer the sum of \$277 (the

“Reserve Fund Installment”) plus such additional amount as may be required to meet any monthly installment to the Reserve Account not theretofore made in whole or in part, such allocations shall continue until there shall have been accumulated in the Reserve Account an amount equal to \$20,000 (the “Reserve Fund Requirement”). Amounts allocated to the Reserve Account shall be used to pay the principal and interest, if any, falling due on the Series 2020 Bonds at any time when there are not sufficient funds in the Bond Account to pay the same, but pending such use may be invested as hereafter provided. When the Reserve Account has been accumulated as in this paragraph provided, no further allocations to the Reserve Account need be made unless payments from the Reserve Account have reduced the same below the amounts required by this paragraph, in which event allocations shall be resumed until such deficiency has been remedied; and

(c) All remaining funds, if any, in the Revenue Fund after all of the payments required to be made under (a) and (b) above, may be used by the Issuer (a) to prepay or redeem the Series 2020 Bonds in whole or in part, or (b) to be applied to any other lawful purpose as determined by the Issuer; and

(d) If at any time, the Revenues received by the Issuer shall be insufficient to make any payment to any of the above funds or accounts on the date or dates specified, the Issuer shall make good the amount of such deficiency by making additional payments out of the first available Revenues thereafter received by the Issuer.

6. All other provisions of the April 3, 2019 Final Bond Resolution are hereby reaffirmed without amendment or modification.

Motion by _____, Seconded by _____.

TAX MATTERS CERTIFICATE

We, the duly chosen, qualified and acting Mayor and City Recorder/Manager of Vernal City, Uintah County, Utah (the “Issuer”), do hereby certify in the name and on behalf of the Issuer, the following facts, estimates, circumstances and expectations, as of the date of issue of the Issuer’s \$200,000 Excise Tax Road Revenue Bonds, Series 2020 (the “Series 2020 Bonds”), as follows:

1. General.

1.1. Capacity. As officers of the Issuer, charged, with others, with the responsibility for issuing the Series 2020 Bonds, our certification may be relied upon as the Certification of the “issuer” pursuant to Treasury Regulation Section 1.148-2(b), and pursuant to the applicable provisions of the Internal Revenue Code of 1986, as amended (the “Code”).

1.2. Documents. We are familiar with the Parameters Resolution of the Issuer adopted on March 6, 2019, and with the Bond Resolution of the Issuer adopted at a regular meeting of the Issuer held on April 3, 2019, as amended on August 19, 2020, authorizing the issuance, sale and delivery of the Series 2020 Bonds (collectively, the “Bond Resolutions”).

1.3. Capitalized Terms. Capitalized terms used but not defined herein shall have the meanings assigned by the Bond Resolutions unless the context hereof required otherwise.

2. The Series 2020 Bonds.

2.1. Purpose. The Series 2020 Bonds are being issued to provide funds to finance a portion of the costs of (i) the acquisition and construction of road improvements, and related improvements, (the “Project”) and (ii) issuing the Bonds.

2.2. Authority. The Series 2020 Bonds are being issued pursuant to the Bond Resolutions and the provisions of the Utah Local Government Bonding Act, Title 11, Chapter 14, Utah Code Annotated 1953, as amended.

2.3. Date of Bonds; Date of Issue. The Series 2020 Bonds were sold and are dated and issued on the date hereof. The date of issue is the dated date.

2.4. Nature of Obligation. The Series 2020 Bonds are special limited obligations of the Issuer secured solely by the Revenues (as defined in the Bond Resolutions) and are not general obligations of the Issuer.

3. Amount and Distribution of Proceeds at Closing.

3.1. Sale to Purchaser. The Series 2020 Bonds have been sold to the State of Utah Permanent Community Impact Fund Board (the “Purchaser”) for their principal amount of \$200,000, with no accrued interest, for a Net Purchase Price of

\$200,000. The proceeds received by that Issuer from the sale of the Series 2020 Bonds will be necessary to accomplish the purposes set forth in Section 2.1 hereof.

3.2. Yield on the Bonds. For purposes of this certificate, “yield” on the Series 2020 Bonds is, and shall be, calculated in the manner provided in Section 148(h) of the Code and the Treasury Regulations promulgated thereunder, and the provisions therein will be complied with in all respects. Thus, generally, yield means that percentage rate which when used in computing the present value of payments of principal of and interest on the Series 2020 Bonds produces an amount equal to the purchase price thereof.

Also for purposes of this certificate, “yield” on any obligation purchased for investment will mean the yield that, when used in computing the present value as of the date the investment is first allocated to the Series 2020 Bonds of all unconditionally payable receipts from the investment, produces an amount equal to the present value of all unconditionally payable payments for the investment. Such yield will be calculated using the same frequency interval of compounding interest as that used in calculating the yield on the Series 2020 Bonds.

3.3. Distribution of Net Proceeds at Closing. The Net Purchase Price of \$200,000 received by the Issuer from the sale of the Series 2020 Bonds will be deposited in an escrow account and expended on the Project within three years of the date hereof in accordance with the projected schedule set forth in 4.2 herein.

4. Temporary Period.

4.1. The Issuer reasonably expects to qualify for the general 3-year temporary period for capital projects set forth in Treasury Regulation 1.148-2(e). The Issuer reasonably expects that (i) it will incur within nine months after the date of this Certificate a substantial binding obligation to a third party to expend at least five percent of the net sale proceeds of the Series 2020 Bonds on the Project; (ii) completion of the Project and allocation of the net sale proceeds of the Series 2020 Bonds to expenditures will proceed with due diligence; and (iii) at least 85% of the net sale proceeds of the Series 2020 Bonds will be allocated to expenditures on the contemplated capital project by the end of the 3-year temporary period.

4.2. The net sale proceeds of the Series 2020 Bonds plus anticipated earnings from the investment thereof are expected to be expended in accordance with the following schedule:

<u>Quarter During Which</u> <u>Expenditure Made</u>	<u>Expenditure</u>
3 rd Quarter, 2020	\$100,000
4 th Quarter, 2020	75,000
1 st Quarter, 2021	Remaining Balance

The estimated total costs of the Project will not be less than the proceeds derived from the sale of the Series 2020 Bonds, plus anticipated earnings from the investment of Bond proceeds during the construction period of the Project.

4.3. The net sale proceeds of the Series 2020 Bonds to be used for the Project may be invested without regard to yield restriction for a period not to exceed three years from the date hereof.

4.4. Investment proceeds of the Series 2020 Bonds to be used for project costs may be invested without regard to yield restriction for a period not to exceed the longer of (i) three years from the date hereof, or (ii) one year from the date of receipt thereof.

4.5. No Reimbursement. Except for (a) the preliminary expenditures (as defined in Treasury Regulation Section 1.150-2(f)(2)), aggregating less than 20% of the issue size of the Series 2020 Bonds, which will be reimbursed from proceeds of the Series 2020 Bonds and (b) de minimus expenditures (as defined in Treasury Regulation Section 1.150-2(f)(1)) reimbursed from proceeds of the Series 2020 Bonds, none of the proceeds of the Series 2020 Bonds are expected to be used to reimburse the Issuer for amounts paid more than 60 days prior to March 6, 2019, the date of adoption of the Parameters Resolution. Any allocation of the Bond proceeds for a reimbursement of expenditures paid prior to said date (i) will be made within 18-months after the later of (A) the date on which the expenditure is paid, or (B) the date on which the property is placed in service but in any event not later than three years from the date the original expenditure was paid; and (ii) will be evidenced by an entry on the books or records of the Issuer which entry identifies either an actual prior expenditure to be reimbursed or, in the case of the reimbursement of a fund or account, the fund or account from which the expenditure was made. The Issuer will not use amounts allocated to reimbursements, within one year after the allocation, to create replacement proceeds of another issue or employ an abusive arbitrage device as described in Treasury Regulation Section 1.150-2(h).

5. Funds; Investments.

5.1. Bond Account. The Bond Resolutions create a Bond Account for the payment of principal of and interest on the Series 2020 Bonds as the same become due and payable in order to achieve a proper matching of revenues and debt service in each bond year. Any income from the investment of the moneys in the Bond Account and any income from investment of such investment income shall be credited to the Bond Account. The Bond Account:

(a) will receive, in addition to the funds from Net Proceeds of the Series 2020 Bonds referred to above, revenues collected by the Issuer, which will be disbursed within 9 months of receipt;

(b) will be depleted at least once a year except for an amount not to exceed the greater of one year's earnings on the Bond Account or 1/12th of

the principal and interest payments on the Series 2020 Bonds for the immediately preceding bond year;

(c) will therefore qualify as a bona fide debt service fund under Treasury Regulation Section 1.148-2(e)(5)(ii) which qualifies for the 13-month temporary period; and

(d) may therefore be invested without regard to yield restriction.

5.2. Reserve Account. The Bond Resolutions establish a Reserve Account which will be funded with Revenues of the Issuer over a six-year period until there will be on deposit therein \$20,000. The moneys in the Reserve Account shall be used only to make up any deficiency in the Bond Account. After an examination of the purposes for which the Reserve Account has been established, which are based substantially upon discussions with and representations of the Purchaser, the undersigned is of the opinion that the amount deposited in the Reserve Account is reasonably required for the purposes for which the Reserve Account has been established. The amount deposited to and to be held in the Reserve Account does not exceed the lesser of (i) the maximum annual debt service requirement for the Series 2020 Bonds, (ii) 10% of the face amount of the Series 2020 Bonds, and (iii) 1.25 times the average annual debt service for the Series 2020 Bonds.

The funds on deposit in the Reserve Account may be invested without regard to yield restriction as part of a reasonably required reserve or replacement fund for the Series 2020 Bonds. Investment earnings on amounts held in the Reserve Account will be spent within one year of receipt and may be invested without limitation as to yield in the interim.

5.3. Other Sinking Funds. The only sinking funds with respect to the Series 2020 Bonds will be the Bond Account and the Reserve Account. The Issuer does not expect to create or establish any other sinking fund or similar fund with respect to the Series 2020 Bonds. No amounts in any other account or funds of the Issuer are reserved or pledged for debt service on the Series 2020 Bonds and it is not expected that any such other accounts or funds will be used, nor is there any reasonable assurance that any portion of such other accounts or funds will be available to pay debt service if the Issuer encounters financial difficulty and amounts in the Bond Account and the Reserve Account are insufficient therefor.

6. Covenants and Representations.

6.1. Issuer's Covenant. The Issuer has covenanted and agreed to and for the benefit of the registered owners of the Series 2020 Bonds that the Issuer (i) will not take any action that would cause interest on the Series 2020 Bonds to become includible in gross income for purposes of federal income taxation, (ii) will not omit to take or cause to be taken, in timely manner, any action, which omission would cause the interest on the Series 2020 Bonds to become includible in gross income for purposes of

federal income taxation and (iii) will, to the extent possible, comply with any other requirements of federal tax law applicable to the Series 2020 Bonds in order to preserve the exclusion from gross income for purposes of federal income taxation of interest on such Series 2020 Bonds. The Issuer further covenants and certifies to and for the benefit of the Bondholders of the Series 2020 Bonds that no use will be made of any of the proceeds of the issuance and sale of the Series 2020 Bonds or any funds or accounts of the Issuer which may be deemed to be available proceeds of the Series 2020 Bonds, pursuant to Section 148 of the Code, and applicable regulations (promulgated or proposed) which use, if it had been reasonably expected on the date of issuance of the Series 2020 Bonds, would have caused the Series 2020 Bonds to be classified as “arbitrage bonds” within the meaning of Section 148 of the Code. Pursuant to this covenant, the Issuer obligates itself to comply throughout the term of the Series 2020 Bonds with the requirements of Section 148 of the Code and the regulations proposed or promulgated thereunder. The Issuer further represents and covenants that no bonds or other evidences of indebtedness of the Issuer reasonably expected to be payable from substantially the same sources of revenue have been or will be issued, sold or delivered within a period beginning 15 days prior to the sale of the Series 2020 Bonds and ending 15 days following the delivery of the Series 2020 Bonds thereunder, as the same presently exist, or may from time to time hereafter be amended, supplemented or revised. The Issuer has also covenanted to comply throughout the term of the Series 2020 Bonds with the requirements of Section 148 of the Code and the regulations proposed or promulgated thereunder.

6.2. Listing. The Issuer has not been listed or advised of any proposed listing of the Issuer in the Internal Revenue Bulletin or otherwise by the Commissioner of Internal Revenue as an issuer that may not certify its bonds.

7. Bonds Not Federally Guaranteed. The Series 2020 Bonds are not federally guaranteed within the meaning of Section 149(b) of the Code.

8. Reporting Requirements. The Issuer will file or cause to be filed with the Internal Revenue Service, Ogden, Utah 84201, on or before the fifteenth day of the second calendar month after the close of the current calendar quarter, the Form 8038-G Information Return for Tax-Exempt Governmental Obligations in substantially the form attached hereto as Exhibit A.

9. Bank Deductibility. In accordance with Section 265 of the Code, the Issuer has designated the Series 2020 Bonds as an issue qualifying for the exception for certain qualified tax-exempt obligations to the rule denying banks and other financial institutions 100% of the deduction for interest expenses which is allocable to tax-exempt interest. The Issuer reasonably anticipates that the total amount of tax-exempt obligations (other than obligations described in Section 265(b)(3)(C)(ii) of the Code) which will be issued by the Issuer and by any aggregated issuer during the current calendar year, will not exceed \$10,000,000. For purposes of this Section 9, “aggregated issuer” means any entity which (i) issues obligations on behalf of the Issuer, (ii) derives its issuing authority from the Issuer, or (iii) is subject to direct or indirect control by the Issuer within the meaning of Treasury Regulation Section 1.150-1(e). The Issuer

represents that (a) it has not created and does not intend to create and does not expect to benefit from any entity formed or availed of to avoid the purposes of Section 265(b)(3)(C) or (D) of the Code and (b) the total amount of obligations issued by the Issuer and all aggregated issuers for the current calendar year does not exceed \$10,000,000.

10. Issuer's Certification. The Issuer hereby certifies for the purpose of qualifying for the exception contained in Section 148(f)(4)(D) of the Code that (i) the Series 2020 Bonds are issued by the Issuer which has general taxing powers, (ii) neither the Series 2020 Bonds nor any portion thereof are private activity bonds, (iii) ninety-five percent (95%) or more of the net proceeds of the Series 2020 Bonds are to be used for local government activities of the Issuer, (iv) the aggregate face amount of all tax-exempt bonds (other than private activity bonds as defined in Section 141 of the Code) issued by the Issuer, and all subordinate entities thereof, and all entities which issue indebtedness on behalf of the Issuer (during the calendar year 2012) is not reasonably expected to exceed \$5,000,000, and (v) the Issuer has not formed, benefited from, or availed itself of any entity to avoid the purposes of Section 148(f)(4)(D)(i)(IV).

11. No Private Activity Bonds. The Series 2020 Bonds are not private activity bonds as defined in Section 141(a) of the Code. No portion of the proceeds of the Series 2020 Bonds will be used for any "private business use" within the meaning of Section 141 of the Code and no portion of the proceeds of the Series 2020 Bonds will be used to make any loans. Neither principal nor interest on the Series 2020 Bonds shall be, directly or under terms of any underlying arrangement (a) secured by any interest in property used or to be used for a private business use or payments in respect of such property or (b) derived from payments in respect of property, or borrowed money, used or to be used for a private business use, within the meaning of Section 141(b)(6) of the Code and the regulations adopted thereunder.

12. No Pooled Financing or Hedge Bonds. The Series 2020 Bonds are not pooled financing bonds or hedge bonds as defined in Section 149 of the Code.

13. Investment Contracts. The Issuer will not invest the proceeds of the Series 2020 Bonds pursuant to any investment contract or similar instrument or arrangement unless the Issuer meets the safe harbor provisions of Treasury Regulations Section 1.148-5(d)(6)(iii) including that the Issuer receives at least three bids from financial institutions who have no material financial interest in the Series 2020 Bonds and the Issuer accepts the highest yielding bid.

14. Expectations.

14.1. Anti-Abuse Rules. The Series 2020 Bonds are not and will not be part of a transaction or series of transactions that attempts to circumvent the provisions of Section 148 of the Code and the regulations promulgated thereunder (A) enabling the Issuer to exploit the difference between tax-exempt and taxable interest rates to gain a material financial advantage, and (B) increasing the burden on the market for tax-exempt obligations.

14.2. Non-Arbitrage Bond. To the best of our knowledge, information and belief, the above expectations are reasonable. On the basis of the foregoing, it is not expected that the proceeds of the Series 2020 Bonds will be used in a manner that would cause the Series 2020 Bonds to be “arbitrage bonds” under Section 148 of the Code and the regulations promulgated thereunder, and to the best of our knowledge and belief, there are no other acts, estimates or circumstances that would materially change the foregoing conclusion.

14.3. The Issuer is not aware of any facts or circumstances that would cause it to question the accuracy of the statements or representations made herein. To the best knowledge and belief of the undersigned, the above expectations are reasonable and accurate.

The Issuer covenants and agrees that any resolution, ordinance or other enactment of the governing body of the Issuer applying the Revenues for the payment of the Bonds shall be irrevocable until the Bonds have been paid in full, and shall not be subject to amendment in any manner which would impair the rights of the holders of such Bonds or which would in any way jeopardize the timely payment of principal when due.
