APPLICANT:

- 1) **Mandatory review process** - This application DOES NOT constitute a business license. All applications are subject to the review process mandated by Title 5 of Vernal Municipal Code. Incomplete applications will not be processed. Decisions on applications are made based on:
 - (i) the information provided on the application materials, and
 - (ii) reviews and inspections performed, as required.
- 2) **Additional Requirements** - Under Vernal Municipal Code, additional business license application requirements are necessitated for some business types.
- 3) **Denial of License** - Application denial or subsequent license suspension or revocation is most often the result of:
 - (i) an inaccurate or incomplete application, or failure to update information with the City, and/or
 - (ii) non-compliance with Vernal Municipal Code, Land Use Code, and/or applicable building, fire, and environmental codes.
- 4) **Other regulatory bodies** - It is the responsibility of the applicant to determine and comply with any requirements from other regulatory agencies.
- 5) **Signage** - Permanent signage requires a separate Building Permit application, which is administered by the Planning and Development Department (435-789-2271).
- 6) **Building alterations** - All alterations to buildings or spaces, including electrical, plumbing, and mechanical alterations, require a separate building permit and inspections as established by State of Utah and Vernal City Code. Building permits are administered by the Planning and Development Department (435-789-2271).
- 7) **Occupying buildings** - It is the RESPONSIBILITY OF THE APPLICANT to ensure that all Building requirements are met before using any structure to conduct business. A Business License is not a Certificate of Occupancy and the possession of a Business License DOES NOT itself authorize a building to be occupied or used.
- 8) **Fireworks**- I understand and will adhere by Vernal City-Firework Ordinance-Chapter 5.68. I understand that the ordinance may change and therefore it will be my responsibility to maintain compliance.

affirm that:

- (i) **I am an authorized agent of the business for which application is being made, and**
