I, the undersigned owner of the above property, understand that utility billings are due thirty (30) days after billing. Should I become delinquent in payment of any such billing, Vernal City shall have the right to demand payment of said billing in full, plus interest at 1.5% per month, which is 18% APR, or suspend my utility service, which would require a Twenty Dollar (\$20.00) reconnect fee for service to be reinstated. In the event that the utility billing account is turned over for collection I agree to pay all interest at 1.5% per month, which is 18% APR, plus all collections fees, court costs and attorney fees necessary for the collection of said delinquent account.

RENTAL OPTIONS

If the above property, owned by me, becomes a lease or rental property, I understand the following will apply:

- 1.) I will be responsible for utility service and request that all utility bills be sent to me.
- 2.) I will be responsible for utility service and request that all utility bills be sent to the tenant at the service address and understand a utility deposit in the amount of \$150.00 will be paid by the tenant. I further understand and agree in the event an unpaid utility balance left owing by the tenant, I, as the property owner, will be responsible for said unpaid balance, plus interest at the rate of 1.5% per month, which is 18% APR, plus all collection fees, court costs and attorney fees necessary for the collections of said delinquent account.
