City Application Available on website or stop by City Hall.

Demographic Information:

Vernal is located in the north eastern corner of Utah approximately 180 miles east of Salt Lake City. We have a population of approximately 10,000 within the City limits and an approximate 30,000 daytime population. Vernal is on a high mountainous plateau with an elevation of 5,300 feet. It offers exceptional hunting, fishing and other outdoor recreational opportunities. Our police department has 20 sworn officers and has the reputation of being a progressive and highly trained agency.
